MINISTRY OF COMMERCE & INDUSTRY

NOTIFICATION

Bombay, the 30th August 1960

S.O. 2178.—In exercise of the powers conferred on me by clauses 3, 4, 13, 14A and 17 of the Cotton Control Order, 1955 and of all other powers enabling me in this behalf, I hereby make the following order in respect of Indian cotton marketed in India from 1st September, 1960:—

1. **Survey.**—(i) All Indian cotton marketed in India from 1st September, 1960 shall be surveyed at the ginning and/or pressing stage as hereinafter provided by the East India Cotton Association, Ltd., Bombay or by any Regional Committee appointed by it with the approval of the Textile Commissioner for this purpose.

Explanation:

In respect of cotton which has been already ginned and/or pressed by the 1st September, 1960, survey shall be made in the manner provided herein before delivery against sales.

(ii) (a) All full pressed bales of cotton shall be offered by the first seller for survey by the East India Cotton Association Ltd., Bombay or by the Regional Committee appointed by it in this behalf and a certificate obtained.

(b) No bale of cotton shall leave the compound of the factory where it is pressed or shall be removed to a warehouse from such factory before the samples have been drawn by the authorised controllers of the East India Cotton Association Ltd., Bombay for survey by the Association or by the Regional Committee.

(iii) Cotton which is intended for delivery in loose form to a manufacturer shall be offered for survey by the East India Cotton Association Ltd., Bombay or by the Regional Committee appointed by it in this behalf as soon as it is ginned and no such loose cotton will leave the factory where it is ginned before the samples of such cotton are drawn by the authorised controllers of the East India Cotton Association Ltd. for survey by the Association or by the Regional Committee appointed by it in this behalf.

(iv) The Regional Committee shall work under the overall control of the East India Cotton Association Ltd., Bombay.

(v) The survey certificate shall show the name of the first seller, the number of bales, the lot numbers, pressing running number of bales, press marks, description of the cotton, staple and grade and the maximum price thereof fixed according to Schedule 'A' hereto annexed. On the reverse side of such certificate, each seller shall endorse the name and address of each buyer and the date of each sale. The price payable by any buyer shall not exceed the maximum price

indicated in the survey certificate which shall, however, be subject to adjustment in accordance with the provisions of sub-paragraphs (a), (b), (c), (d), (e) and (f) of paragraph 7(ii), if applicable.

(vi) (a) The first seller may, if he is not satisfied with the certificate of the Regional Committee or the East India Cotton Association Ltd., Bombay, as the case may be, prefer an appeal to the Committee specified in Schedule 'B' annexed hereto (hereinafter referred to as the *Ad Hoc* Committee) within seven days of the date of the survey certificate.

(b) If any buyer does not accept the initial award of the Regional Committee or of the East India Cotton Association Ltd., Bombay, as the case may be, he may prefer an appeal to the *Ad Hoc* Committee within 7 days of the date of the survey certificate. However, if this period of 7 days has expired, the buyer will have a right to either have a fresh survey at his cost by the East India Cotton Association Ltd., Bombay subject to the right of appeal to the *Ad Hoc* Committee, or have a direct survey made by the *Ad Hoc* Committee for which purpose fresh samples shall be drawn.

(c) The award of the *Ad Hoc* Committee will be final and binding on all successive buyers without any right of re-survey.

(vii) The samples drawn by the authorised controllers in respect of each lot shall be kept in safe custody by the East India Cotton Association Ltd., Bombay or by the Regional Committee as the case may be for a period of not less than 7 days calculated from the date of the survey certificate.

(viii) The fees for the initial survey shall be borne by the first seller and the buyer will bear the fees for each successive survey, if any, either by the East India Cotton Association Ltd., Bombay or the Regional Committee when desired by the buyer. The appeal fees will be borne by the party preferring the appeal.

(ix) No buyer shall take delivery of cotton unless it is accompanied by a certificate of survey issued as above and it will be incumbent on the buyer to scrutinise the survey certificate with reference to the cotton covered by the certificate and to satisfy himself that the certificate relates actually to the cotton purchased and delivered to him.

2 Permission for sale of cotton by a manufacturer.—No manufacturer shall sell cotton to any person without the previous written permission of the Textile Commissioner.

3. The prices stated in Schedule 'A' will not apply to purchases of permitted varieties for the purposes of export by an exporter. However, no such exporter shall sell in the internal market any part of such cotton purchased for export without the written permission of the Textile Commissioner. In case such permission is granted, such cotton shall be sold in the internal market at a price not exceeding the maximum price shown in the survey certificate.

4. Purchases of 'Kapas' by a manufacturer.—Every manufacturer to whom permission under sub-clause 3 of clause 13 of the Cotton Control Order, 1955 has been issued shall purchase "kapas" at such price that the eventual corresponding cost price of the ginned and/or pressed lint outturn shall not exceed the maximum price fixed in Schedule 'A' annexed hereto. All such cotton ginned and/or pressed shall be surveyed and the maximum price thereof determined before a manufacturer takes it for consumption.

5. Filing of Returns.—Every 'A' class and 'B' class licence holder, not being a manufacturer, shall furnish to the office of the Textile Commissioner, Bombay in the form given below a periodical statement (i.e., for the period 1st to 15th and 16th to 30th/31st of each month) to be despatched on or before the 3rd or 18th of each month respectively of his actual deliveries of Indian cotton to the mills and his sales.

6. Maximum and minimum price of cotton.—(1) Subject to the other provisions hereinafter contained, the minimum and maximum price of cotton of the 1960/61 season and of the earlier seasons of the descriptions specified in columns (1) and (2) of Schedule 'A' annexed hereto shall be as specified in columns (3) and (4) respectively of the said Schedule.

Provided that where cotton, which is the subject matter of a contract, is of a quality either inferior or superior to the basic quality referred to in columns (1) and (2) of the said Schedule the minimum or the maximum price shall be decreased

or increased as the case may be by an amount specified in columns (5) to (15) of the said Schedule.

Provided further that no such cotton shall be considered to be of a quality superior to the basic quality as aforesaid unless its superior staple and class have been certified by the East India Cotton Association Ltd., Bombay or by the Regional Committee appointed by it or by the *Ad Hoc* Committee and the maximum price of such cotton shall then be in accordance with the description, staple and class mentioned in such certificate.

(ii) (a) The prices specified in Schedule 'A' are in Rupees per quintal of 100 kilograms net for delivery in full pressed bales ex-seller's godown, Bombay, and include $\frac{1}{2}$ per cent brokerage payable by the seller to the buyer and the usual sample and stone allowance as provided in the bye-laws of the East India Cotton Association Ltd., Bombay.

(b) The minimum and maximum prices for delivery at any place other than Bombay shall be the prices specified in Schedule 'A' less a sum equivalent to the railway freight from the place of origin to Bombay and Rs. 2.80 nP per quintal plus the sum, if any, equivalent, to the railway freight from the place of origin to the place of delivery to the buyer and Rs. 2.80 nP per quintal.

(c) The maximum prices specified in paragraph 6(i) and sub-paragraphs (a) and (b) of paragraph 6(ii) shall be increased, where the sale is directly to a manufacturer, by $1\frac{1}{4}$ per cent thereof and where the sale is directly to an 'A' class licensee, by $\frac{1}{4}$ per cent thereof.

(d) The maximum and minimum prices specified in paragraph 6(i) and sub-paragraphs (a) and (b) of paragraph 6(ii) shall be decreased by Rs. 7/- per quintal when the subject matter of the contract is ginned (that is, unpressed) cotton.

(e) Where cotton which is the subject matter of a contract is loose cotton obtained by opening a full pressed bale and does not exceed 15 kgs. in weight, the maximum prices specified in paragraph 6(i) and sub-paragraph (a), (b) of paragraph 6(ii) shall be increased by $12\frac{1}{2}$ per cent thereof.

(f) The minimum prices fixed under this notification shall not apply to cotton which is inferior in class or staple to that for which 'off' allowances are specified in columns (5), (6), (10) and (11) of Schedule 'A' but it shall be open to any person or persons who are required to fix the exact value of any such cotton to fix a value which is less than the price specified for the lowest staple and class of cotton of the description.

(g) Nothing in paragraph 6 shall apply to a contract of sale for the purpose of export by any exporter with an overseas buyer or his agent or by a grower or middleman with any exporter or his agent.

(h) A certificate from the Textile Commissioner to the effect that the contract entered into is for the purpose of export shall be conclusive evidence of that fact.

7 Varieties not under Price Control.—Nothing in this Notification shall apply to (a) Sea-Island Andrews cotton, grown in the states of Assam, Andhra Pradesh, Kerala, Mysore and Madras if it is certified by the Indian Central Cotton Committee or the Committee specified in Schedule 'B' as having a staple length of above $1\frac{1}{2}$ " and complies with the following conditions:
